BRATTLEBORO -- Putney Pasta, which has been making all-natural premium frozen pasta since 1983, received the 6th Annual New Products Showcase Award in the newly introduced "New England's Best" category at this year's Natural Products Expo East. Putney Pasta's Chicken Alfredo Skillet Meal took top honors.

Putney Pasta's all-natural Chicken Alfredo offers a tri-color rotini pasta and broccoli in a creamy parmesan sauce. The meal is prepared with all-natural chicken, which is raised without added hormones or antibiotics and fed a 100 percent vegetarian diet.

Others selections in the new Skillet Meal line include: Shrimp Scampi with penne pasta in a white wine and garlic sauce; Shrimp Pesto with cavatappi pasta, garden peas and tomatoes in a creamy pesto sauce; and Chicken Piccata with penne pasta, artichokes and capers in a white wine and lemon sauce.

Putney Pasta Skillet Meals serve two and are prepared in a skillet in less than 10 minutes.

This year's Natural Products Expo East, sponsored by New Hope Natural Media, drew more than 26,000 industry attendees and featured more than 2,100 exhibits.

Putney Pasta's new Skillet Meals recently became available at natural and conventional retail chains nationwide for a suggested retail price of \$8.99 to \$10.99.
